

COASTSIDE FIRE PROTECTION DISTRICT

NOTICE OF

DETERMINATION OF APPROPRIATIONS LIMIT

FOR FISCAL YEAR 2021-2022

State law (Sections 7902 (b) and 7910 of the Government Code) requires each local government agency to determine during each fiscal year the appropriations limit pursuant to Article XIII-B of the California Constitution applicable during the following fiscal year. The limit must be adopted at a regularly scheduled meeting and the documentation used in determining the limit must be made available for fifteen days prior to such meeting.

Set out below is the methodology proposed to be used to calculate the fiscal year 2021-2022 Appropriations Limit for the Coastside Fire Protection District. The limit as set forth below will be considered and adopted at the meeting of the Board of Directors on June 23, 2021.

1. Appropriations Limit for Fiscal Year 2020-2021:	\$15,901,814.66
2. **Population Change: (Average) January 1, 2020 - January 1, 2021	.987%
3. ***Per Capita Change: (Personal Income)	1.0573%
4. Fiscal Year 2021-2022 Calculation of factor: .987 x 1.0573 = 1.0435	1.0435
5. Fiscal Year 2021-2022 Appropriations Limit \$15,901,814.66 x 1.0435 = \$16,593,543.59	\$16,593,543.59

** The population factor represents an average of the change in the population within the City of Half Moon Bay, (-0.77%) and within the unincorporated areas of San Mateo County, (-1.73%),
 $((-0.77 + -1.73) / 2) = -1.25$

Population converted to a ratio:
$$\frac{-1.25 + 100}{100} = .987$$

*** Per Capita converted to a ratio:
$$\frac{5.73 + 100}{100} = 1.0573$$
