**SUBJECT: SECOND READING AND ADOPTION OF AN AMENDMENT TO ORDINANCE NO. 2015-01 SETTING COMPENSATION FOR BOARD MEMBERS AT \$167.50 FOR MEETINGS, NOT TO EXCEED TWO MEETINGS A MONTH FOR A MAXIMUM MONTHLY COMPENSATION OF \$335.00**

Board of Directors of Coastside Fire Protection District:

**Summary**

The Board is asked to conduct a second reading and adopt Ordinance No. 2020-03, An Amendment to Ordinance No. 2015-01, An Ordinance of the Coastside Fire Protection District Setting Compensation for Members of the Coastside Fire Protection District Governing Board, By Increasing the Compensation for the Governing Board. This amendment would adjust the Board's compensation from \$125.00 per meeting to \$167.50 for a maximum of two (2) meetings per month.

**Background and Discussion**

On May 27, 2020, the Board introduced an amendment to Ordinance No. 2015-01, An Ordinance of the Coastside Fire Protection District Setting Compensation for Board Members, by increasing the compensation each member of the District's Board of Directors receives for attending meetings. Board Members' current compensation is \$125.00 per meeting for a total of two (2) meetings in a calendar month. The Board was asked to determine whether or not to increase the compensation to \$167.50 per meeting. If adopted at this meeting, the Ordinance provisions regarding compensation will be effective sixty (60) days later. (California Water Code §20204)

**Analysis**

Pursuant to the Board's Policy Manual:

The basic manner in which members fulfill their office must be at a regular, special, emergency, committee, or workshop meetings, and will be a matter of public record. Therefore, members of the Board are expected to attend all regular, special and emergency meetings of the District. (Section 3.2, Meeting Attendance)

By Board Policy, Board Members are currently entitled to compensation and reimbursement as set by Board Ordinance. (Section 4.4, Directors' Compensation and Reimbursement)

The current rate of compensation for Board Members was set in 2015 at \$125.00 per meeting and compensable meetings were limited to a total of two (2) per month. As a result, Board Members are now authorized to be paid \$250.00 per month if they attend two (2) meetings. If multiple meetings are held on one day, the Directors are compensated only \$125.00 for that day.

This practice reflects the language in California Health & Safety Code §13857(a) which authorizes compensation of \$100.00 for attending each meeting of the Board, not to exceed four (4) meetings per month. Per Health & Safety Code §13857, Government Code §53232.1 defines the type of activities on a specific day which are defined as compensable meetings. They include:

1. Board meetings;
2. Meeting of an advisory body;
3. Conferences or organized educational activities, including, but not limited to, the ethics training required for Board members who receive compensation pursuant to Government Code §53234 et seq. (Two hours every two years per Government Code §53235(b)).

Health & Safety Code §13857(b) provides that a Board may also authorize payment for "attendance at occurrences not specified in subdivision (a) only if the governing body has adopted, in a public meeting, a written policy specifying other types of occasions that constitute the performance of official duties for which a member of the legislative body may receive payment."

In addition to setting a compensation rate of \$100.00 per meeting, Health & Safety Code §13857(b) authorizes increases to Board Members' compensation if adopted per the requirements of the Water Code. Water Code §20202 authorizes the Board to adopt an ordinance increasing the \$100.00 limit by 5% per calendar year for each year since the last adjustment. As noted above, pursuant to the District's records, the last adjustment to Board compensation was made in May 2015 when the rate was set at \$125.00 per meeting.

Pursuant to Water Code §20202, Board Members' compensation could now be adjusted to \$167.50 per meeting. This would reflect a 5% increase per calendar year since the last adjustment made in 2015 as authorized by Water Code §20202. This would entitle Board Members to a total of \$335.00 per month.

When this matter was discussed with the Board at its May meeting, staff was requested to provide information on compensation authorized for other fire boards in the Bay Area. That information is shown below:

Menlo Park Fire Protection District	\$100.00 per meeting for all regularly scheduled meetings, and when responding to subpoenas or legal actions, to a maximum of \$400.00 per month
Los Altos Hills Fire District	\$100 per meeting; maximum of 4 meetings per month
San Ramon Valley Fire Protection District	\$105 per meeting; maximum of 4 meetings per month
Southern Marin Fire Protection District	\$100 per meeting; maximum of 4 meetings per month
Novato Fire District	\$200 per meeting; maximum of 4 meetings per month

If the ordinance amendment is adopted as proposed, District Board members would only be entitled to compensation for a maximum of two (2) meetings per month at \$167.50 per meeting, for a maximum payment of \$335.00 per month.

**Fiscal Impact**

If the Board's maximum monthly compensation is increased from \$250.00 per month to \$335.00, the fiscal impact would be measured by the difference between the currently authorized rate of \$250.00 per month and the newly authorized rate of \$335.00 per month.

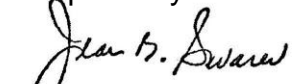

**Recommendation**

Staff recommends that the Board conduct its second reading and adopt the amended ordinance adjusting the Board's per meeting compensation from \$125.00 per meeting to \$167.50 per meeting. If adopted, the ordinance will be effective on August 24, 2020, (i.e., sixty (60) days after adoption).
