

CONFLICT OF INTEREST CODE
COASTSIDE FIRE PROTECTION DISTRICT

The purposes of this Code are to provide for the disclosure of investments, real property, income and business positions of designated District officials and employees that may be materially affected by their official actions and to provide for the disqualification of designated officials and employees from participation in District decisions in which they may have a financial interest.

The Political Reform Act of 1974 (Government Code Sections 81000 et seq.) requires state and local governmental agencies to adopt and promulgate conflict of interest codes. Coastside Fire Protection District adopted a Conflict of Interest Code as required by the Political Reform Act of 1974.

The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730), which contains the terms of a standard conflict of interest code that can be incorporated by reference in an agency's code. After public notice and hearing it may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation and the attached Appendix designating officials and employees and establishing disclosure categories shall constitute the Conflict of Interest Code of the Coastside Fire Protection District.

Designated officials and employees shall file statements of economic interests with the **Fire Chief, filing official of Coastside Fire Protection** District. Upon receipt of the statements, the ~~District~~ **Fire Chief** shall make and retain copies and forward the originals of these statements to the ~~San Mateo County Board of Supervisors, in care of the San Mateo County Clerk~~ **as filing officer**.
