FISCAL YEAR 2022-2023
SEPTEMBER 28, 2022

Coastside Fire Protection District **STAFF REPORT**

TO: Honorable Board of Directors

FROM: Jonathan Cox, Deputy Chief

DATE: September 28, 2022

SUBJECT: Final Budget Fiscal Year (FY) 2022/23

Staff Recommendation

1. The Board of Directors accepts this report as presented.

2. The Board of Directors review and approve the Final Budget for Fiscal Year 2022/23

Background

The 2022/23 Final Budget submitted to you is conservatively prepared with due regard to current economic conditions. Coastside Fire Protection Districts' (CFPD) General Fund is utilized for daily business transactions including distribution of vendor payments, collection of district revenues, and processing of payroll and is administered by CFPD staff and processed through the San Mateo County Auditor's Office. Internal Service Fund (ISF) reserves are held in the Local Agency Investment Fund (LAIF) and are operationally transferred in or out of the General Fund as budgeted with approval from the District Board.

The starting fund balance in the General Fund for 2021/22, resulting from calculation of 2020/21 actual revenues and expenditures, was \$6,721,893. This fund balance, combined with incoming revenues during the 2021/22 fiscal year, allowed for a transfer-out of LAIF revenues in the amount of \$2,473,000. The 2022/23 beginning fund balance in the General Fund is based on 2021/22 actuals and is \$5,987,962. Staff recommends a net transfer-out to LAIF in the amount of \$400,000 in 2022/23.

2021/22 Actual Budget Year Performance:

Revenues: Actual revenues for 2021/22 come in at \$14,475,172 which represents a \$135,644 decrease from the \$14,610,816 adopted budgeted amount. The primary account categories significantly affected are Property Tax–Secured Current Year ↑\$76,656, Property Tax-ERAF Refund ↑\$775,856, Plan Review/Reports ↑48,566, Strike Team Reimbursement ↑109,490, and Misc. Income ↑42,430 offset by decreased amounts in the following categories: Property Tax–Unsecured Current Year ↓\$40,144, Weed Abatement ↓\$205,047, and the budgeted transfer-in from LAIF was not fully realized.

Expenditures: Actual expenditures totaled \$15,211,092 which is \$4,121,617 below the budgeted amount of \$19,332,709. This is largely due to a less than anticipated LAIF transfer-out of \downarrow \$1,527,000 due to monthly transfer limits imposed by the County combined with year-end time constraints and CAL FIRE contract savings of \downarrow \$1,665,830. Other significant reductions in expenditures were realized in Services and Supplies \downarrow \$239,208, Equipment Maintenance \downarrow \$216,954, Training and Education \downarrow \$115,719, Legal Contractual Services \downarrow \$380,661, Equipment and Apparatus \downarrow \$445,518, and Structure Improvements \downarrow \$200,000 offset by a large increase in Vehicle purchases \uparrow \$863,022.

Personnel Costs:

CAL FIRE contractual costs plus District Salaries and Benefits totaled \$7,735,107 in 2021/22, which equates to 53% of the final \$14,475,172 in total revenues. This amount is well below the District's goal of a 75% personnel cost to revenue ratio. Additionally, the District anticipates a refund of \$219,007 from overpayment of the 2021/22 CAL FIRE 4th quarter estimated invoices. This amount will be credited to the 2022/23 fiscal year budget.

2022/23 Final Budget:

Revenues: The Final Budget property tax revenue amounts are based on 2021/22 actuals with a conservative 3% increase projected from the previous fiscal year. The County has calculated Coastside FPD's 2022/23 ERAF revenues at \$731,087. This disbursement amount was derived by combining 45% of the total excess ERAF for 2021/22 with the release of remaining 2019/20 balances. A remaining 5% will be distributed in August of 2024.

Expenditures: The current 7-year cooperative agreement with CAL FIRE allows for a 5% annual contract escalator. Additionally, it was amended this year to more accurately reflect staffing changes, resulting in an increase of ↑\$398,514 in Contractual Services for 2022/23. Weed abatement contractors will be allocated at \$450,000 in 2022/23 to act in accordance with the District's Vegetation Management Action Plan and \$2,000,000 is allocated to the architectural design phase of the new Station 44 replacement. Aside from the above-mentioned items, remaining expenditures will be relatively flat with the exception of decreased vehicle purchases ↓\$425,000, Structure Improvements >\$10K ↑\$295,000, and reduced Legal Fees ↓\$200,000.

Personnel Costs:

CAL FIRE contractual costs of \$9,350,447 plus District Salaries and Benefit costs of \$1,544,075 total \$10,894,522 in 2022/23, which equates to 79% of the projected \$13,742,125 in total budgeted revenues. While this exceeds the District's goal of a 75% personnel cost to revenue ratio, it is important to remember that CAL FIRE contracts are calculated at maximum salary rates but reimbursed at actual rates, which results in savings to the contract. The average Coastside FPD contract savings for the past 3 years has been 24.19%. Applying this average savings to the final budget contract amount results in an anticipated 63% personnel cost to revenue ratio for 2022/23, well below the District's goal.
