Half Moon Bay, CA 94019

Dear Coastside Fire District:

On behalf of the Farallone View School PTO, staff and students, I want to extend a heartfelt thank you for your donation to the Friends of Farallone View PTO's Annual Auction, which took place on March 19, 2016.

Your generous contribution helped us raise \$33,000 for the students of Farallone View Elementary School. The money that was raised will go toward funding programs such as science, music and art instructors, K-3 physical education, HEAL gardening and more, all of which are not funded by State or federal dollars. These important programs would not exist without your help and that of our business and parent community.

A listing of your donation(s) is provided below for your records.

Thank you again for your kind generosity to the children at Farallone View School. We hope you will consider donating again in 2017.

With sincere appreciation,

Jen Collins
