NOW, THEREFORE, the Board of Directors of the Coastside Fire Protection District does hereby ordain as follows:

1. By the passage of this Ordinance, this Board hereby authorizes and levy special taxes within CFD No. 36 pursuant to California Government Code Sections 53328 and 53340, at the rate and in accordance with the formula set forth in the Resolution of Intention which Resolution is by this reference incorporated herein. The special taxes are hereby levied commencing in fiscal year 2021-2022 and in each fiscal year thereafter to provide the Services and all costs of administering the CFD No. 36 in accordance with the provisions of the Rate and Method of Apportionment of the Special Taxes for CFD No. 36, which is attached hereto and incorporated herein as Exhibit A. The Board of Directors shall determine the special tax rate in the manner and as provided in Exhibit A.

2. The Fire Chief of the Coastside Fire Protection District is hereby authorized and directed each fiscal year to implement the special tax rate and determine the amount to be levied for the next ensuing fiscal year for each parcel of real property within CFD No. 36, in the manner and as provided in the Resolution of Intention and the Resolution of Formation.

3. Properties or entities of the State or local governments shall be exempt from any levy of the special taxes to the extent set forth in the rate and method of apportionment of special taxes included by reference in the Resolution of Formation; provided that, pursuant to Section 53340.1 of the Act and the Resolution of Formation, the special taxes shall be levied on any leasehold or possessory interests of nonexempt persons or entities in such properties. In no event shall the special taxes be levied on any parcel within the CFD No. 36 in excess of the maximum tax specified in the rate and method of apportionment of special taxes included by reference in the Resolution of Formation.

4. All of the collections of the special tax shall be used as provided for in the Act and in the Resolution of Formation including, but not limited to, the payment of the costs of the District in administering CFD No. 36, the payment of the costs of the Services and the costs of collecting and administering the special tax.

5. The special taxes shall be collected in the same manner as ordinary ad valorem taxes are collected and shall have the same lien priority, and be subject to the same penalties and the same procedure and sale in cases of delinquency as provided for ad valorem taxes; provided that any levies on leasehold or possessory interests shall be made on the unsecured County roll. In addition, the provisions of Section 53356.1 of the Act shall apply to delinquent special tax payments. The Fire Chief of the District is hereby authorized and directed to provide all necessary information to the appropriate officials of the County of San Mateo ("County") in order to effect proper billing and collection of the special tax, so that the special tax shall be included on the secured (or unsecured, as applicable) real property tax roll of the County for fiscal year 2021-2022 and for each fiscal year thereafter.

Notwithstanding the foregoing, the Fire Chief may collect the special taxes by means of district billing of the owners of land or interests therein subject to the levy of the special tax if

the Fire Chief, in his sole discretion, determines that said method of collection will be more efficient and/or better serve the financial needs of the District and CFD No. 36. If any special taxes are collected by means of direct billing of the owners of land or interests therein, any such special taxes shall be delinquent if not paid when due as stated in such billing.

6. If for any reason any portion of this ordinance is found to be invalid, or if the special tax is found inapplicable to any particular parcel within CFD No. 36, by a Court of competent jurisdiction, the balance of this ordinance and the application of the special tax to the remaining parcels within CFD No. 36 shall not be affected.

B. TAX CATEGORIES AND DESIGNATION OF MAXIMUM ANNUAL SPECIAL TAX

1. Residential Category

The Residential Category includes all Parcels of Taxable Property within CFD No. 36 on which there are Dwelling Units. The Maximum Annual Special Tax that may be levied on a Parcel in the Residential Category during the Fiscal Year ending June 30, 2022 shall be determined by reference to the following:

- (1) For Parcels with one Dwelling Unit, including Parcels with one Dwelling Unit and one Second Unit, the Maximum Annual Special Tax for the Parcel is \$183.60.
- (2) For Parcels with two Dwelling Units, the Maximum Annual Special Tax for the Parcel is \$373.32.

- (3) For Parcels with more than two Dwelling Units, the Maximum Annual Special Tax is \$183.60 per Dwelling Unit for the first two units plus \$84.89 per Dwelling Unit for each additional Dwelling Unit on the Parcel.
- (4) A Parcel with Dwelling Units that are classified as “low or moderate income housing” by the City of Half Moon Bay or the County of San Mateo will be assessed at 50% of the otherwise applicable rate for such Parcel as set forth above. Notwithstanding the foregoing, if a Parcel with Dwelling Units that are classified as low or moderate income units is owned by a non-profit or public agency that does not pay regular ad valorem property tax, such Parcel shall be assessed at 100% of the applicable rate as set forth above.

2. Transient Lodging Category

The Transient Lodging Category includes each Parcel of Taxable Property within CFD No. 36 that is used in whole or part as a motel, hotel, motor lodge, Recreational Vehicle Park (as that term is defined in Health and Safety Code Section 18215) and other similar facility for the purpose of transient occupancy (not including Mobile Home Parks), and for which a certificate of occupancy has been issued. Any area which is directly and solely related to retail and/or other commercial uses (such as a restaurant, bar or store area) shall be treated as a separate Area of Use and taxed as part of the Non-Residential Category and not the Transient Lodging Category. Lobbies, atria, open space, ballrooms, meeting rooms, hallways, service areas necessary for the use and operation of the facility as a motel, hotel, motor lodge or Recreational Vehicle Park or other similar facility shall not be treated as a separate Area of Use, but shall be considered part and parcel of the Transient Lodging Category and taxed on a per Room or per Space basis only. Properties with several Areas of Use shall be taxed under the Mixed Use Category. The Maximum Annual Special Tax that may be levied on Taxable Property in the Transient Lodging Category during the Fiscal Year ending June 30, 2022 is \$30.79 per Space or room.

3. Mobile Home Park Category

The Mobile Home Park Category includes each Parcel of Taxable Property within CFD No. 36 that is zoned or permitted to be used as a Mobile Home Park (as that term is defined in Civil Code Section 98.4) for which a certificate of occupancy has been issued. The Maximum Annual Special Tax that may be levied on Taxable Property within the Mobile Home Park Category during the Fiscal Year ending June 30, 2022 is \$30.79 per Space.

4. Non-Residential Category

The Non-Residential Category includes each Parcel of Taxable Property within CFD No. 36 which has been zoned or is permitted to be used in whole or in part for non-residential uses (including office, retail, industrial and other commercial uses but not Taxable Property designated under the Transient Lodging or Mobile Home Park Categories) for which a certificate of occupancy has been issued. The Maximum Annual Special Tax that may be levied on Taxable Property within the Non-Residential Category during the Fiscal Year ending June 30, 2022 is \$0.0977 per square foot of Building Floor Area.

5. *Mixed Use Category*

Parcels within CFD No. 36 which are zoned or permitted to be used for uses which fall in more than one of the Tax Categories defined above and for which a certificate of occupancy has been issued shall be taxed for each category of use. The calculation of Maximum Annual Special Tax shall be performed separately for each Area of Use.

C. ADJUSTMENTS TO MAXIMUM ANNUAL SPECIAL TAX

The Maximum Annual Special Tax for all Tax Categories shall increase each Fiscal Year by two percent (2%) of the amount in effect in the prior Fiscal Year. Under no circumstances shall the special tax for a Parcel in the Residential Category increase in any one Fiscal year more than ten percent (10%) over the prior Fiscal Year, as a consequence of delinquencies or default by other Parcels in CFD No. 36.

D. METHOD OF LEVY AND COLLECTION OF THE SPECIAL TAX

On or about July 1 of each Fiscal Year, but in any event in sufficient time to include the levy of the Annual Special Taxes on the County's secured tax roll, the Responsible Party shall determine the Annual Special Tax Requirement for that Fiscal Year. The Responsible Party shall also allocate all Parcels of Taxable Property to the appropriate Tax Category based on reference to building permits, certificates of occupancy, zoning maps or other planning documents. The Annual Special Tax shall then be levied on all Parcels of Taxable Property as follows:

- Step 1:** Calculate the total Annual Special Tax revenue that could be collected from Taxable Property within the CFD based on application of the Maximum Annual Special Tax rates determined pursuant to Section B above.
- Step 2:** Divide the Annual Special Tax Requirement by the maximum revenues that could be collected as determined in Step 1.
- Step 3:** If the ratio determined in Step 2 is greater than or equal to 1, levy the Maximum Annual Special Tax determined pursuant to Section B on all Taxable Property in the CFD. If the ratio determined in Step 2 is less than 1, continue to Step 4.
- Step 4:** Levy the Maximum Annual Special Tax against all Parcels of Taxable Property in equal percentages up to 100% of the Maximum Annual Special Tax determined pursuant to Section B above.

The Annual Special Tax for CFD No. 36 shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided, however, that the Fire District may (under the authority of Government Code Section 53340), in any particular case, bill the taxes directly to the property owner, off the County tax roll, and the Annual Special Taxes will be equally subject to foreclosure if delinquent.
