Dear Cynthia,

Philip and I wanted to thank you from the bottom of our hearts for your guidance and advocacy on behalf of the ROW fire mitigation project.
We believe that the pressure from multiple stakeholders ultimately helped prompt them to accept their responsibility and begin the fire mitigation work along the ROW. They have made significant progress, as you can see in the attached before-and-after photos. We know there is still much more to do, but we believe that Montara is safer as a result of these efforts.
Thank you again for your leadership, dedication, and service to our community. We are truly grateful for all that you have done to help move this important effort forward.

Warmest,
Yifat & Philip
