SCOPE OF WORK AND SCHEDULE FOR DISTRICTING SERVICES

Redistricting Partners is well prepared to assist the Board and staff in the redistricting process, including working with existing state and federal voting rights act laws, the Fair Maps Act and new California statutes on redistricting for cities, and utilizing traditional redistricting criteria, borne out of state and local laws, caselaw, and best practices, in order to facilitate the process in an open and transparent manner.

Our approach, with additional information below, would include:

- Supporting the staff in developing schedules, materials, and providing information that can be used for any public facing website, including how community input opportunities, hearing information, and draft maps can be made available to the public.
- Supporting the staff with high-quality redistricting training, online mapping tools, and on how the redistricting process operates with state and federal requirements and other traditional redistricting practices.
- In addition to the online mapping tool, working with the District to receive input from residents about their “community of interest” with descriptions of where their community is located, and what binds their community together.
- Working with Imprenta Communications and the staff to build community engagement with the intent of receiving public testimony on communities of interest.
- Analyzing public input - whenever the public develops a mapping plan, be it via an online system, submitted directly in an open comment, or drawn on a napkin, that plan will be converted to the standard formats and datasets and be available on the District’s website.
- After decennial redistricting data has been released and processed, creating multiple draft plans that reflect the testimony from the Board and the public in open hearings and any online submissions.
- Once the redistricting has been concluded, working with the District to transmit the plans in multiple required formats to the County Registrar and work with District staff on any technical issues.

To begin the process, Redistricting Partners will construct for the District the following datasets:

1. Working with the agency and staff from the County Registrar’s office, Redistricting Partners will create the GIS files necessary to define the external boundaries of the agency, and the underlying precincts and their relationships with the Census TIGER files, identifying any changes and discrepancies prior to beginning the districting process.
2. For preliminary analysis during the period prior to the 2020 Census release, Redistricting Partners will obtain the 2010 Census Redistricting Data [P.L. 94- 171] Summary Files and latest American Community Survey (ACS) population estimates.
3. Once released, Redistricting Partners will collect the P.L. 94-171 files, along with

the necessary prison population redistribution that will be required for the first time in 2021. These population figures are reflective of the total population within the boundaries of utilizing the census geographies and is the basis for determining the actual population of the jurisdiction in any redistricting.

4. Most recent ACS dataset, including estimated total population and Citizen Voting Age Population (CVAP). This dataset is based on the long form of the US Census and statistical estimates which can be useful in both understanding how different communities might be growing, and the ethnic populations for the purposes of voting rights claims.

5. Any available data from public sources regarding neighborhoods or other geographies that can be utilized as a part of identifying communities of interest and may be a part of the overall districting process.

One current unknown within this whole process is the extension of the Census and the changing timelines for to the release of the PL 94-171. Normally, this dataset is released by March 31st in the year after the census. However, due to the COVID-19 pandemic and delays in the Census, the timing of the release of the PL 94-171 is now estimated to come out as late as September 30th and a release of a “legacy” dataset in mid-August.

The District will begin the redistricting process prior to release of the census data to allow for community of interest testimony so that it is well-positioned to move to linedrawing once the census data is released.

Staff Support

The owner of Redistricting Partners, Paul Mitchell, and the other Redistricting Partners staff have significant experience in helping local agency staff, and local elected officials become proficient in the traditional criteria used in redistricting and the technical aspects of understanding the data and line drawing. Our staff will attend all Board of Directors meetings and be on hand for all redistricting functions, including in-person or virtual meetings as required.

Public Engagement

Imprenta Communications specializes in outreach personalized and curated for the specific community targeted. Their community outreach efforts are aimed at truly translating information that is clear, digestible, and personal, making accurate information easily accessible. Imprenta can help support this project by bringing their expert knowledge of reaching the Latino and API communities in a culturally competent and successful manner. Efficient translation outreach moves beyond language and into culture.

Imprenta is able to do this by focusing on specific partnerships with Community Based Organizations, community and government leaders to help engage the Latino and API communities served by the Coastside Fire Protection District. Imprenta will utilize a grassroots/grasstops approach where we rally the grassroots community while additionally identifying trusted leaders from the Latino and API communities to further amplify our redistricting messaging to these specific populations.

Due to the current state of California, impacted by the devastating COVID-19, Imprenta has adapted our community outreach strategies to adhere to stay-at-home and social distancing guidelines. In order to efficiently share resources and collaborate with the community and our networks using our “New Normal” methods and technologies, we have developed a set of alternative strategies:

- Zoom town halls, redistricting meetings, and workshops
- Partnership with businesses to provide PSA-type messaging via bilingual posters, flyers, and social posts
- Business owners, government officials and local leadership can each host a special Webinar with live translations in English and Spanish
- Webinars hosted by Latino community leaders and trusted voices
- Church outreach - Write-ups, posts or post materials in church newsletters / social media / website or announcements during services.

Ethnic Media Relations

Imprenta has successfully executed and managed numerous initiatives, issues, political, marketing and public affairs campaigns for public agencies, government entities, high profile elected officials and corporate clients who are not only looking for excellent strategies and executions but also the most precise budget management expertise due to a high accountability to the public and stakeholders. We are committed to providing cost-efficient services to our clients and generating exceptional added value for each and every single project and media buy.

Proactive media relations and obtaining positive media coverage is the core of public relations. At Imprenta we specialize in not only generating coverage in the mainstream press but also in the ethnic media as well. Imprenta’s strength in the multicultural media space is evidenced by our strong relationships with ethnic media, virtually guaranteeing media presence and exposure at our events or for the stories we pitch.

However, irrespective of relationships with reporters and editors, the art of obtaining positive media coverage is in crafting an interesting story. We work with our clients in a realistic and thoughtful way to craft the best possible stories. Furthermore, we know what reporters are looking for and we can tailor messages to fit their needs and interest to best maximize your coverage.

Mapping Tools

One of the first goals of early meetings will be developing processes to identify communities of interest. In our experience it is imperative that the District begin by establishing a very transparent public process to receive testimony about the community of interests throughout the service area. We suggest a process that emphasizes a strong engagement with the public and identification of communities of interest before anyone starts talking about drawing actual maps.

The District and Redistricting Partners agree to utilize the DistrictR mapping tool. DistrictR is a new user-friendly web tool designed to let members of the public try their hand at drawing communities of interest or actual district lines. It features a highly intuitive mapping interface built on top of vetted electoral and demographic data. The tool was developed by the MGGG

Redistricting Lab, a team of researchers at Tisch College of Tufts University, to help state legislatures, local jurisdictions, nonpartisan commissions, and community organizations collect public input throughout the redistricting process.

Website Design and Archiving

While Coastside Fire Protection District does not fall under the Fair Maps Act, it is considered a best practice to provide a process for concurrent transparency and to archive the documents from the 2021 redistricting process until the next round of redistricting in 2031.

Plan Creation

Once the District has had outreach hearings and received significant public input, Redistricting Partners will create three mapping options. These mapping options will be presented to the Board of Directors in a public hearing.

Analysis of Maps

We expect to have a robust process of engaging the public in both using mapping and data to develop community of interest testimony and the drawing of actual district maps.

Whether done online or by hand, all mapping options submitted by the public have value. A map does not have to be perfect to inform the District about how a member of the public views their community, and how they would choose to make tradeoffs between the different factors in redistricting. What is important is that residents have an opportunity to tell their story about their community and that we provide the tools and opportunities to do this.

The mapping alternatives will be produced and stored in a way that the Board or members of the public can view in one of three ways:

PDF Maps – these are user friendly and print, generally on an 8.5x11 format. They don't provide street-level detail, but can be helpful in understanding the general outlines of district plans.

Online / Google Maps – these are online maps which allow the viewer to zoom in on a map, search for an address, or bring up features, like streets and satellite images, to better understand where district lines land.

GIS files – shapefiles and data that can be used by GIS experts, organizations with technical skills who will want to import the raw data into their own systems for analysis.

Final Plan Adoption

The final plan will be presented to the Board with a narrative, describing the source of the map, how it was developed, the communities of interest that were considered in the construction of each district, and what tradeoffs were considered as the board sought to equitably create the election district boundaries.

After completion of the districting process we work with registrars, elections officials and their staff to ensure all relevant data on the jurisdiction lines are submitted and incorporated for the next election.

If requested, Redistricting Partners staff will work with District staff to produce a final written report to submit to the Board regarding the redistricting process and what improvements could be made prior to the next redistricting in 2031.

Project Schedule

This timeline aligns with the current deadline of April 17, 2022 for agencies with a November 2022 election.

May 2021: Kickoff meeting with District staff (online)

September 2021: Presentation to the Board regarding the principles of redistricting, timeline and process. Opportunity to hear public input on communities of interest.

This will also be an opportunity to hear from the public about their communities, discussion of preferences of neighborhoods, geographic or other features that should be considered in drawing public plans, and an opportunity for members of the public to submit their own maps.

January 26th, 2022: Board Meeting #1 (Outreach/Engagement) – Presentation to the Board regarding the principles of redistricting, opportunity for pre-map public input on communities of interest. Presentation from the public of any maps identifying communities, discussion of preferences of neighborhoods, geographic or other features that should be considered in drawing public plans. This would include an online training for the use of the selected mapping tool for community engagement, with a focus on the community using this mapping tool as a way of identifying their community of interest.

February 2022: One to Two Public Workshops (Outreach/Engagement) – Additional opportunity for pre-mapping public input on communities of interest. This will also be an opportunity to hear from the public about their communities, discussion of preferences of neighborhoods, geographic or other features that should be considered in drawing public plans, and an opportunity for members of the public to submit their own maps.

February 23rd, 2022: Board Meeting #2 (Mapping Options) – Hearing with public input on draft plans with any input from the Board or public on proposed changes. Maps created by Redistricting Partners to be discussed at the meeting should be posted seven-days prior to hearing.

COMMERCIAL GENERAL LIABILITY COVERAGE FORM

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- (1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- (2) Our right and duty to defend end when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments.

- b. This insurance applies to "bodily injury" and "property damage" only if:

- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- (2) The "bodily injury" or "property damage" occurs during the policy period; and
- (3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

- c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

- d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

COMMERCIAL GENERAL LIABILITY

- e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" or "property damage" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- (1) That the insured would have in the absence of the contract or agreement; or
- (2) Assumed in a contract or agreement that is an "insured contract", provided that the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured will be deemed to be damages because of "bodily injury" or "property damage", provided that:
 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - (b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- (1) Causing or contributing to the intoxication of any person;
- (2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or

- (3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- (1) An "employee" of the insured arising out of and in the course of:
 - (a) Employment by the insured; or
 - (b) Performing duties related to the conduct of the insured's business; or
- (2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph (1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

f. Pollution

- (1) "Bodily injury" or "property damage" arising out of the actual, alleged or threatened discharge, dispersal, seepage, migration, release or escape of "pollutants":
 - (a) At or from any premises, site or location which is or was at any time owned or occupied by, or rented or loaned to, any insured. However, this subparagraph does not apply to:
 - (i) "Bodily injury" if sustained within a building and caused by smoke, fumes, vapor or soot produced by or originating from equipment that

is used to heat, cool or dehumidify the building, or produced by or originating from equipment that is used to heat water for personal use by the building's occupants or their guests;

- (ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
- (b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
- (c) If such "pollutants" are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:
 - (i) Any insured; or
 - (ii) Any person or organization for whom you may be legally responsible;
- (d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
 - (i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed

to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- (ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
- (iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire"; or
- (e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are or were at any time performing operations to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- (2) Any loss, cost or expense arising out of any:
 - (a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or

- (b) Claim or suit by or on behalf of any governmental authority or any other person or organization because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

g. Aircraft, Auto Or Watercraft

"Bodily injury" or "property damage" arising out of the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft owned or operated by or rented or loaned to any insured. Use includes operation and "loading or unloading".

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage" involved the ownership, maintenance, use or entrustment to others of any aircraft, "auto" or watercraft that is owned or operated by or rented or loaned to any insured.

This exclusion does not apply to:

- (1) A watercraft while ashore on premises you own or rent;
 - (2) A watercraft you do not own that is:
 - (a) 50 feet long or less; and
 - (b) Not being used to carry any person or property for a charge;

 - (iv) A trustee of any trust;that is your partner, joint venture member, manager or trustee; or
 - (b) Any employee authorized by such partnership, joint venture, limited liability company, trust or other organization to give notice of an "occurrence" or offense.
- (3) Notice to us of such "occurrence" or offense will be deemed to be given as soon as practicable if it is given in good faith as soon as practicable to your workers' compensation insurer. This applies only if you subsequently give notice to us of the "occurrence" or offense as soon as practicable after any of the persons described in Paragraph e.(1) or (2) above discovers that the "occurrence" or offense may result in sums to which the insurance provided under this Coverage Part may apply.
- However, if this policy includes an endorsement that provides limited coverage for "bodily injury" or "property damage" or pollution costs arising out of a discharge, release or escape of "pollutants" which contains a requirement that the discharge, release or escape of "pollutants" must be reported to us within a specific number of days after its abrupt commencement, this Paragraph e. does not affect that requirement.
- 3. Legal Action Against Us**
- No person or organization has a right under this Coverage Part:
- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
 - b. To sue us on this Coverage Part unless all of its terms have been fully complied with.
- A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured, and the claimant or the claimant's legal representative.

4. Other Insurance

If valid and collectible other insurance is available to the insured for a loss we cover under Coverages **A** or **B** of this Coverage Part, our obligations are limited as described in Paragraphs **a.** and **b.** below.

As used anywhere in this Coverage Part, other insurance means insurance, or the funding of losses, that is provided by, through or on behalf of:

- (i) Another insurance company;
- (ii) Us or any of our affiliated insurance companies, except when the Non cumulation of Each Occurrence Limit provision of Paragraph **5.** of Section **III** – Limits Of Insurance or the Non cumulation of Personal and Advertising Injury Limit provision of Paragraph **4.** of Section **III** – Limits of Insurance applies because the Amendment – Non Cumulation Of Each Occurrence Limit Of Liability And Non Cumulation Of Personal And Advertising Injury Limit endorsement is included in this policy;
- (iii) Any risk retention group; or
- (iv) Any self-insurance method or program, in which case the insured will be deemed to be the provider of other insurance.

Other insurance does not include umbrella insurance, or excess insurance, that was bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

As used anywhere in this Coverage Part, other insurer means a provider of other insurance. As used in Paragraph **c.** below, insurer means a provider of insurance.

a. Primary Insurance

This insurance is primary except when Paragraph **b.** below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph **c.** below, except when Paragraph **d.** below applies.

b. Excess Insurance

(1) This insurance is excess over:

- (a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - (i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";

(ii) That is insurance for "premises damage";

(iii) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to any exclusion in this Coverage Part that applies to aircraft, "autos" or watercraft;

(iv) That is insurance available to a premises owner, manager or lessor that qualifies as an insured under Paragraph **4.** of Section **II** – Who Is An Insured, except when Paragraph **d.** below applies; or

(v) That is insurance available to an equipment lessor that qualifies as an insured under Paragraph **5.** of Section **II** – Who Is An Insured, except when Paragraph **d.** below applies.

(b) Any of the other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured, or is any other insured that does not qualify as a named insured, under such other insurance.

(2) When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

(3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

(a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

(b) The total of all deductible and self-insured amounts under all that other insurance.

(4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. Primary And Non-Contributory Insurance If Required By Written Contract

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us; and
- c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

NAME OF PERSON OR ORGANIZATION:

COASTSIDE FIRE PROTECTION DISTRICT

PROJECT/LOCATION OF COVERED OPERATIONS:

PROVISIONS

The following is added to **SECTION II – WHO IS AN INSURED:**

Any person or organization shown in the Schedule Of Additional Insureds And Covered Operations that you agree in a written contract or agreement to include as an additional insured on this Coverage Part is an insured, but only:

- a. With respect to liability for "bodily injury" or "property damage" that occurs, or for "personal injury" caused by an offense that is committed, subsequent to the signing of that contract or agreement and while that part of the contract or agreement is in effect; and
- b. If, and only to the extent that, such injury or damage is caused by acts or omissions of you or your subcontractor in the performance of "your work" on or for the project, or at the location, shown in the Schedule Of Additional Insureds And Covered Operations, to which the written contract or agreement applies. Such person or organization does not qualify as an additional insured with respect to the independent acts or omissions of such person or organization.

The insurance provided to such additional insured is subject to the following provisions:

- a. If the Limits of Insurance of this Coverage Part shown in the Declarations exceed the minimum limits required by the written contract or agreement, the insurance provided to the additional insured will be limited to such minimum required limits. For the purposes of determining whether this limitation applies, the minimum limits required by the written contract or agreement will be considered to include the minimum limits of any Umbrella or Excess liability coverage required for the additional insured by that written contract or agreement. This provision will not increase the limits of insurance described in Section III – Limits Of Insurance.
